Incorporating Musical Instruments into Storytime Sessions

Presented by Jennifer Knight - Calimesa Library
• Adding Musical Instruments is a good way to engage large, mixed age groups.

• Musical Activities are typically enjoyed by children of all ages.

• Active Movement between stories help kids “get the wiggles out” and be better prepared to listen to the story.

• When used on a regular basis, music adds routine and a sense of structure to your program.

• Musical Instruments give children a chance to actively engage in library programming without disturbing other participants.
Typical Music Tools
let’s Get Crafty!

Recycled Maracas
- Water Bottle
- 2 Toilet Paper Rolls
- Filling of your choice
- Sturdy Tape

Add filling to water bottles. Add lid. Cut toilet paper rolls lengthwise, then tighten to fit around cap, and tape shut.

Yogurt Cup Maracas
- 2 yogurt cups
- Rice, Beans or other Filling
- Tape and/or decorating materials

Place fillings in one cup, then place the other cup on top and tape securely. Decorate Maraca as desired.

For example: What year was Johann S. Bach Born in? (March 21st 1685)
Ask bizarre True or False questions about composers.

No smartphones—otherwise, teens may find all the answers on one site.
