Preservation and Digitization Basics

Learn the basics of preservation and digitization (including digital preservation) and about the Palm Springs Public Library’s digitization project Accessing The Past (accessingthepast.org). Gain insights into getting started, issues specific to public libraries, funding and about sharing content with your community and the world. After lunch, will be demos of PSPL’s Copibook Scanning Station and Microfilm Scanner. Library staff, volunteers and anyone with an interest in digitizing collections are invited.

Location: Palm Springs Public Library Learning Center
300 S. Sunrise Way, Palm Springs, CA 92262

Date: Thursday, March 23, 10:00 am-2:00 pm

Registration and payment must be submitted by March 15th (registration limited to 25).
